**General Instructions**

An AWPR is required when a training course provider cannot meet the required 10-working day notification for asbestos courses or the 7-working day notification for lead-based paint courses. Fill out a separate form for each course that requires an AWPR.

**This Form must be properly completed with the appropriate fee and returned to the Utah Division of Air Quality (DAQ) at the above listed address.** You can also email this form to [asbestos@utah.gov](mailto:asbestos@utah.gov) or [leadbasedpaint.utah.gov](mailto:leadbasedpaint.utah.gov) and pay with a credit card at [https://secure.utah.gov/cart/daq\\_cart/products.html](https://secure.utah.gov/cart/daq_cart/products.html) or fill out the form online at <https://asbestos-lead.utah.gov>.

The use of an AWPR form should be in rare cases when full compliance cannot be achieved with existing state administrative rules and federal regulations. The use of the AWPR form should not be part of an individual's or company's standard operating procedure.

**If you use this form's PDF fillable capability, please save it to your desktop before closing the document or all information will be lost.**
