

Requirement for Asbestos or Lead-Based Paint Professional Certifications

As of July 1, 2009, the Utah Department of Environmental Quality (DEQ) is required to verify the lawful presence in the United States of an individual at least 18 years of age (includes sole proprietor doing business under assumed name) who receives an asbestos or lead-based paint professional certification. This law also applies for renewal certifications.

Applicants for these certifications are required to attach the following documents to the application:

- Complete the form below and sign under penalty of perjury.
- Attach copy of your photo ID

The document will be confidential and not distributed publicly, but must be kept in the file.

For information about asbestos or lead-based paint certification, please contact Tamie Call at 801-536-4007 or twcall@utah.gov at the Utah Division of Air Quality, 195 North 1950 West, 4th Floor South, Salt Lake City, UT 84116.
