Bountiful City Corporation has been awarded $145,000 to replace two Class 8 local diesel delivery trucks at 50% of the cost for the new vehicles. This reimbursement is for 50% of the cost to replace one Class 8 local freight truck, vehicle identification number (VIN) 5VCEC6BE96H202745, with a new 2020 Class 8 truck, VIN 3BPDLK0X3LF109768.

The reimbursement details are as follows:

- Purchase price from Peterbilt of Utah @ $143,428.
- Allowable cost on invoice is $143,418 @ 50% = $71,709.
- Bountiful City Corporation's cost-share is $71,719.

$71,709.00
VW Settlement Funding Opportunity
Required documentation

Awardee: Bountiful City Corporation

Award Amount: 145000

Proposed Project: Replace two Class 8 local freight trucks

Actual Project: First of two Class 8 local freight truck replacements (VIN)

For vehicles to be replaced:

- The make and model;
- Legible photos of:
  - the side profile, including any vehicle identifier name or number;
  - the full engine plate that clearly specifies the engine make, model, model year, horsepower, displacement, serial number, and engine family name;
  - the vehicle identification number (VIN) plate; and
  - the gross vehicle weight rating (GVWR);
- The total percentage of time the vehicle operates in the 24-hour PM$_{2.5}$ and/or ozone nonattainment counties - Box Elder, Cache, Davis, Salt Lake, Tooele, Utah, and Weber counties;
- Evidence demonstrating that the vehicle is an early replacement, that the replacement would not have occurred through normal attrition, including a description of the fleet owner’s normal attrition cycle, and that the vehicle has a minimum of three years remaining in its useful life;
- Vehicle route description, including details of the vehicle’s current purpose, routes, and daily/weekly/seasonal operation schedule;
- An odometer reading within thirty (30) days of the date of application submission;
- The annual miles traveled;
- The annual fuel usage;
- The estimated annual hours the vehicle idles;
- Proof of current registration in the State of Utah; and
- Proof of current insurance.

For the procurement of new replacement vehicles:

- A minimum of two itemized price quotes dated within ninety (90) days of the other quote and within one year of the date of purchase for the replacement vehicle in the same class, engine displacement and horsepower as the replaced vehicle that include:
  - The vehicle and engine make and model;
  - The GVWR;
  - The engine model year;
  - The horsepower;
The engine displacement;
- EPA certification year;
- Itemized list of add-ons, modifications or attachments and associated costs;
- Delivery costs, if applicable;
- The dealership providing the quote;
- That the quote is offered to the awardee;
- The time period the quote is valid; and
- Warranty information.

For each replaced vehicle, a statement, signed by an individual authorized to represent the awardee, that:
- describes the procurement process to purchase the vehicle; and
- states that “the replacement vehicle for which funding assistance is sought was procured in accordance with applicable state (63G-6a Utah Code) and local laws as described in this statement.”

For demonstration each replaced vehicle has been permanently disabled:

- An electronic copy of a continuous, clear, unedited video that demonstrates that the replaced vehicle has been permanently disabled. The video must include:
  - The side profile of the vehicle;
  - The VIN plate showing a legible VIN;
  - The entire engine plate clearly displaying the engine make, model, model year, horsepower, displacement, serial number, and engine family name;
  - The three-inch by three-inch hole drilled into the engine block, the part of the engine that contains the cylinders; and
  - The frame rails cut through on both sides of the vehicle between the front and rear axles.

- For the replaced vehicle, a certificate of destruction, signed by both the dismantler and authorized person representing the awardee, specifying the date of destruction.

- Any receipt for scrappage, if the awardee received proceeds from the scrappage of the replaced vehicle.

New replacement vehicle documentation:

- A final purchase invoice for each replacement vehicle that specifies:
  - the invoice date;
  - the total purchase price of the vehicle;
  - the vehicle make, model, and model year;
  - the VIN;
  - the dealership name; and
  - the awardee as the purchaser;

- Proof of payment for each replacement vehicle;

- The date the awardee placed each replacement vehicle into service;

- Legible photos of:
  - the side profile, including any vehicle identifier name or number;
  - the full engine plate that clearly specifies the engine make, model, year, horsepower, displacement, serial number, and engine family name;
  - the VIN plate;

- the GVWR; and

- The fuel type.

Signature of Dismantler:

Post Engine and Chassis Destruction (Choose One)  
1) Sold to scrapyard? Y/N  
2) Kept for parts? Y/N  
3) Other (please explain):  
(Please Submit A Scanned Copy of Receipt)  
Surrendered to Vriens Truck Parts

Subgrantee Authorized Representative:  
Date Engine/Chassis Disabled: 12-4-2000

Date new replacement vehicle was placed into service: 12-4-2000

Statement: I certify that within 90 days of replacement, the old engine and chassis (where applicable) have been permanently disabled. Disabling the engine consists of cutting, drilling, or punching a three inch by three inch (3” x 3”) hole in the engine block. Disabling the chassis consists of cutting completely through the frame/frame-rails on each side of the vehicle/equipment at a point located between the front and rear axles. If other, pre-approved scrappage methods were used, details and documentation are attached. Video of the disabled engine/chassis that are required pursuant to the Terms and Conditions of the award agreement are attached to this Certificate of Vehicle/Engine Destruction.

Authorized Name:  
Authorized Signature:  
Date: 12-14-2000

In addition to this completed form, scrappage documentation must include:

1) if applicable, a scanned copy of the receipt from the scrap yard that includes the dollar amount received for the vehicle; and
2) an electric copy of a continuous, clear, unedited video that captures:
   a) the side profile of the vehicle;
   b) the VIN plate;
   c) the engine plate;
   d) the three-inch diameter hole drilled into the engine block; and
   e) the cut chassis.
