Reimbursement is for Jordan School District's (JSD) participation in the VW Trust for replacing two diesel school buses, vehicle identification numbers (VIN) 1T7YT4C2941141702 and 1T7YT4C2961271949, with new diesel school buses, VINs 1BABNB6A4NF380349 and 1BABNB6A2NF380348, respectively. The program will allow reimbursement for eligible costs up to 50% for the new replacement buses, based on the lowest bids.

Lewis Bus Group provided the lowest bid of $134,726. JSD purchased the new buses from Bryson Sales and Service @ $138,242 per bus. As such, the reimbursement calculations are based on the Lewis Bus Group bid of $134,726 * 50% = $67,363 = $141,758.

JSD’s cost-share amount is $70,879 per bus, which is the purchase price (from Bryson Sales and Service) of $138,242, less the grant payout of $67,363 = $70,879 x 2 buses = $141,758.
