Dear Mr. Faulhaber:

Congratulations and welcome to Clean Utah. Your application for your West Haven facilities has successfully passed the compliance screen by the Utah Department of Environmental Quality, the Weber-Morgan Health Department, and the U.S. Environmental Protection Agency.

I understand that you are working to develop an Environmental Management System. Sonja Wallace, of our Pollution Prevention Program, can assist you with this if you have questions. She can be reached at 536-4477 or at swallace@utah.gov. Once your EMS has been in place for one complete cycle, I encourage you to consider applying to our Partner Level. This is the level where the incentives and formal recognition, including use of the Clean Utah logo, become available to participants.

We list all of our Clean Utah participants on the DEQ website. (The address is http://www.deq.utah.gov/cleanutah/entry_level_partners.htm). Please contact Renette Anderson at either 536-4478 or renetteanderson@utah.gov and let her know if you have a website you'd like us to link to from our page. She will also assist you with any other questions you may have regarding Clean Utah.

Best Regards,

Dianne R. Nielson, Ph.D.
