Dear Mr. Oakden:

Congratulations and welcome to Clean Utah. Your application for your Brigham City facility has successfully passed the compliance screen by the Utah Department of Environmental Quality, the Bear River Health Department, and the U.S. Environmental Protection Agency.

I understand that you are working to develop an Environmental Management System. Paul Harding of our Business Assistance Program can assist you if you have questions. He can be reached at 801-536-4108 or at pharding@utah.gov. Once your EMS has been in place for one complete cycle, I hope you will consider applying to our Partner Level. This is the level where incentives and formal recognition, including the use of the Clean Utah logo, become available to participants.

Our Clean Utah website, <http://www.deq.utah.gov/cleanutah/index.htm>, lists all Clean Utah participants. If you wish to have a link to your website from our page, please contact Paul Harding at the number or e-mail (listed above) with this request. Paul is also available to assist you with any other questions you may have regarding Clean Utah.

Best Regards,

Amanda Smith
Acting Executive Director
