Dear Ms. Anderson:

Enclosed is Utah Transit Authority's application for entry level membership in Utah Department of Environmental Quality Clean Utah Program. UTA welcomes the opportunity to strengthen our partnership with the UDEQ and to proactively communicate our environmental accomplishments.

Our list of environmental permits is Appendix I. UTA is a multi-faceted organization with many activities occurring simultaneously. Our enclosed application is for the six (6) permanent transportation support facilities that have instituted the International Standards Organization's Program (ISO) 14001 Environmental Management System (EMS). These facilities are:

- Meadowbrook
- Central
- Mt. Ogden
- Riverside
- Timpanogos
- Rail Service Center

If you have any questions, comments, or need additional information, please contact Grantley Martelly, Manager of Safety and Environmental Protection at (801) 287-3059 or Lonell Griffith, Environmental Compliance Administrator, at (801) 287-3064. They can also be reached by email at gmartelly@uta.cog.ut.us or lgriffith@uta.cog.ut.us.

Sincerely,
