

PUBLIC NOTICE of COMPLETION
Five-Year-Review of Pallas Rail Yard Removal Site
Midvale City, Salt Lake County, Utah

Summary: Third Five-Year Review Completed

The Utah Department of Environmental Quality, Division of Environmental Response and Remediation (UDEQ/DERR), and the U.S. Environmental Protection Agency (EPA) Region 8 have completed the third Five-Year Review for the Pallas Rail Yard Removal Site. Five-year reviews are required by the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) when hazardous substances remain on site above levels that permit unrestricted use and unlimited exposure. Five-Year Reviews are conducted to evaluate the site remedy and to determine whether site conditions remain protective of human health and the environment.

Protectiveness Statement: This Five-Year Review determined that the remedy at this site is protective of human health and the environment. The Five-Year Review Report was signed September 30, 2019.

A copy of the review is available at DERR Offices located on the 1st Floor, at 195 North 1950 West, Salt Lake City, Utah 84114. Please call for an appointment to review records at (801) 536-4100, Monday through Friday, from 8:30 A.M. to 4:30 P.M. The document is also available electronically at the UDEQ/DERR website at <http://www.environmentalresponse.utah.gov/>.
