

Certificate of Qualification

Underground Wastewater Disposal System Loan Program

The _____ (name of the local health department) certifies that:

Name:

Address:

Telephone #:

is eligible to apply for a loan through the Underground Wastewater Disposal System Loan Program, in accordance with *Utah Administrative Code R317-102-5, Utah Wastewater State Revolving Fund (SRF) Program*, for all of the components identified in this letter.

Issuance of this Certificate of Qualification shall not be deemed to be, or imply, an evaluation of credit worthiness of the loan applicant or to constitute a recommendation that a loan be made.

This Certificate of Qualification shall in no way be deemed to be a guaranty of any payment due from any eligible borrower.

Project components eligible for a loan under the Underground Wastewater Disposal System Loan Program are:

- 1.
- 2.
- 3.
- 4.

The _____ (name of the local health department) will issue an approval for the project prior to construction, inspect the installation of these components subsequent to construction, and otherwise administer the implementation of the project in accordance with *Utah Administrative Code R317-4, Onsite Wastewater Systems*.

Signed: _____
