

EXHIBIT F
INITIAL LIST OF FACTUAL INACCURACIES OR MISLEADING AND
INCOMPLETE STATEMENTS CONTAINED IN PUBLIC PARTICIPATION
SUMMARY, NITRATE CORRECTIVE ACTION PLAN, STIPULATION AND
CONSENT ORDER, DOCKET NO. UGW12-04

I. FACTUAL INACCURACIES

DRC Response 1, final paragraph of response, page 4

ö[N]one of the monitoring parameter concentrations are increasing per review of all historic well data results.ö

DRC Response 2, paragraph 1, page 5
(Entire paragraph)

DRC Response 2, paragraph 2, page 5
(Entire paragraph)

DRC Response 2, paragraph 3, pages 5-6
(Entire paragraph)

DRC Response 2, final paragraph, page 6
(Entire paragraph)

DRC Response 3, paragraph 1, page 8
(Entire paragraph)

DRC Response 3, paragraph 2, page 9
(Entire paragraph)

DRC Response 3, paragraph 3, page 9
(Entire paragraph)

DRC Response 3, final paragraph of response, page 9

öThere is no indication that a continuing source is present. The plume concentrations of nitrate and chloride do not appear to be increasing with time.ö

II. MISLEADING AND INCOMPLETE FACTUAL STATEMENTS

DRC Response 1, paragraph 1, page 4

öWell WW-2 is located upgradient of the tailings cells and the Chloroform and Nitrate plumes, therefore, it is unlikely that groundwater in this well has been affected or will be affected by these sources.ö

DRC Response 1, paragraph 4, page 4
(Entire paragraph)
