**I support the Cornerstone Project because:** RIO Tinto is one of the very few companies I feel embodies quality leadership. This leadership encompasses honesty in its dealings, the highest responsibility with regard to our environment, and unsurpassed commitment to the general public and their communities. I have no doubts that they should be given the go ahead in their Cornerstone Project. I only wish there were more companies like them, RIO is a diamond among the rocks in corporations. These days that is hard to find!
