I am in favor of the Utah Division of Air Quality issuing a timely permit and the Utah Air Quality Board approving a rule making (R307-110-17) to authorize a production increase at the Bingham Canyon Mine. I understand this project is out for public comment because Kennecott has fulfilled all regulatory requirements. The Cornerstone Project will make an important contribution to the community and I support timely regulatory approval.

I support the Cornerstone Project because:

My family and thousands of others depend on it for work, insurance, and the ability to survive.

I support the Cornerstone Project because:

It's my BREAD AND BUTTER and so many
many
more people in the S. L. Valley, we would
have to shut down the whole city if we're
worried about the Air.
