Class 2 Permit Modification – Contingency Plan

Dear Mr. Anderson:

EnergySolutions hereby requests a Class 2 modification revising the exhibits and List of Emergency Coordinators, within Attachment II-6, *Contingency Plan*, of the State-issued Part B Permit. As the exhibit changes include both the addition and removal of emergency equipment, this Request is being submitted as a Class 2 in accordance with 40 CFR 272.42, Appendix I, B.6.c., Contingency Plan: Removal of Equipment from Emergency Equipment List.

Exhibit changes include the following:

- A complete walkthrough of the facility has been made and the exhibits adjusted to reflect an accurate representation of the location of emergency equipment throughout the Clive Facility.
- The Box Wash (Exhibit II-6v) has been removed. The MCC Building (Exhibit II-6o) has also been removed as it is not used and no longer contains emergency equipment.
- Additionally, the List of Emergency Coordinators was changed to reflect four additional employees that have recently become certified.

As required by 40 CFR 270.42(b)(2), a notice of this request and the public comment period will be printed in the following local newspapers: *Salt Lake Tribune*, *Deseret News*, and *Tooele Transcript Bulletin*. A public notice will also be sent to individuals and organizations on EnergySolutions' facility Mailing list. A copy of this notice is included with this request. The 60 day public comment period will begin on March 5, 2015. A

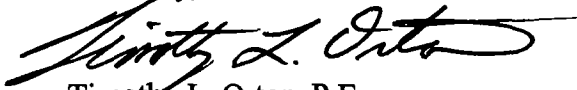

public information meeting has been scheduled for March 31, 2015, at the Tooele County Courthouse.

Revised pages of Attachment II-6 in redline/strikeout, including the revised Emergency Coordinator List, is attached. Electronic copies of the attachment and of the revised Exhibits will be forwarded via email.

Check number 63727 in the amount of \$1,000 is attached for administrative costs associated with this Permit modification.

Should there be any questions to this request, please contact Steve Gurr or me at 801-649-2144.

Sincerely,

Timothy L. Orton, P.E.
Environmental Engineer and Manager
