

I SUPPORT KENNECOTT

I am in favor of the Utah Division of Air Quality issuing a timely permit and the Utah Air Quality Board approving a rule making (R307-110-17) to authorize a production increase at the Bingham Canyon Mine. I understand this project is out for public comment because Kennecott has fulfilled all regulatory requirements. The Cornerstone Project will make an important contribution to the community and I support timely regulatory approval.

I support the Cornerstone Project because:

RioTinto is a tremendous Corporate Citizen of Salt Lake County. They ascribe to very high values and can be trusted to work in the public's best interest.

I support the Cornerstone Project because: RIO Tinto is one of the very few companies I feel embodies quality leadership. This leadership encompasses honesty in its dealings, the highest responsibility with regard to our environment, and unsurpassed commitment to the general public and their communities. I have no doubts that they should be given the go ahead in their Cornerstone Project. I only wish there were more companies like them, RIO is a diamond among the rocks in corporations. These days that is hard to find!
