RE: Hunter Power Plant Class IIIb Landfill Inspection

Dear Mr. Soepnel:

On May 20, 2013, a representative of the Division of Solid and Hazardous Waste conducted an inspection of the Class IIIb Landfill at the Hunter Power Plant. The purpose of the inspection was to determine compliance with the Utah Solid Waste Permitting and Management Rules and the landfill permit.

Enclosed is a copy of the inspection checklist and photographs taken during the inspection. The site was well operated and in good shape. No deficiencies were noted in aspects of the landfill operation covered by the inspection.

If you have any questions, please call Rob Powers at (801) 536-0255.

Sincerely,

Scott T. Anderson, Director
Division of Solid and Hazardous Waste

STA/RDP/kk
