RE: Chester Class IVb Landfill Inspection

Dear Mr. Bringhurst:

On January 27, 2014, a representative of the Division of Solid and Hazardous Waste inspected the Chester Class IVb landfill to determine compliance with the Utah Solid Waste Permitting and Management Rules. Enclosed is a copy of the inspection checklist and copies of the photographs taken during the inspection. The facility was found to be in good shape and no violations were noted.

Please remember to cover all the waste on site once per calendar month with six inches of cover soil. If you have any questions, please call Rob Powers at (801) 536-0255.

Sincerely,

Scott T. Anderson, Director  
Division of Solid and Hazardous Waste
