Division of
Solid and Hazardous Waste

JUL 29 2013
2013-004688

July 29, 2013

Mr. Scott Anderson, Director
Utah Department of Environmental Quality
Division of Solid and Hazardous Waste
P.O. Box 144880
Salt Lake, City, UT 84114-4880

Dear Mr. Anderson,

The purpose of this letter is to meet Utah's Disposal of Electronic Waste (S.B. 184) legislation annual reporting requirements under Section 19-6-1203. The Stationery and Office Supplies Division of 3M Company ("3M") sells ergonomic mice in your state.

3M has a long commitment to sustainability and environmental improvement. We support the concept that consumer electronics manufacturers share responsibility for end-of-life management of products with consumers, retailers and state and local governments. 3M Stationery and Office Supplies Division offers the following program for our ergonomic mice:

1. **Owner's Manual:** Information about battery and product disposal in the product owner's manual (included with the product at purchase).
2. **3M Customer Contact Center:** 1-800 number in the owner's manual and on the product package for the customer to contact 3M regarding ergonomic mice and battery recycling.
3. **Website Information:** Information about recycling 3M electronic products on the division website (currently being updated).

Thank you for the opportunity to submit this report.

For questions or clarifications regarding this report, please contact me at 651-736-9907 or at the e-mail address listed below.

Sincerely,

Pamela A. Wolf
