UTAH ELECTRONICS WASTE PROGRAM ANNUAL REPORT

FOR BANG & OLUFSEN AMERICA, INC.

August 1, 2013

Collection Program

Consumers in Utah are able to return their used Bang & Olufsen manufactured consumer electronics for recycling through a mail-back program free of charge. Consumers are able to access information about the program at <http://www.bang-olufsen.com/en-US/the-company/heritage/enviroment>. The program covers Bang & Olufsen branded televisions. Bang & Olufsen has partnered with Reverse Logistics Group Americas, Inc., and its Take-Back and Regulatory Compliance management system to offer this program, which can be accessed at the link above.

Consumers in Utah access the website and enter information about their location and equipment. Based on this information, a shipping label is generated, which the consumer can utilize to ship their used Bang & Olufsen product for recycling free of charge. Consumers merely pack the product and ship it using the free shipping label.

During the 2012-2013 program year, no products were returned to Bang & Olufsen through the mail-back program from Utah consumers.

**Utah Electronics Waste Program Annual Report
For Lenovo (United States), Inc.
August 1, 2013**

About Lenovo:

Lenovo manufactures, develops, and markets a wide range of reliable, high-quality technology products including desktop computers, notebook computers, and computer monitors. Lenovo employs over 20,000 employees worldwide and has principle operations in Morrisville, North Carolina and Beijing, China.

Lenovo is committed to leadership in environmental affairs in all of its business activities. Lenovo follows applicable regulations around the world. In the US, Lenovo offers a free recycling program for households and home based businesses covering all Lenovo manufactured products nationwide. Lenovo believes these programs meet the requirements of the state of Utah. The program is publicized on Lenovo's recycling webpage at www.lenovo.com/recycling. Details of this program are included below.

Recycling Plan Details:

Consumers in Utah are able to return their used Lenovo manufactured computer equipment for recycling through the program website at www.lenovo.com/recycling free of charge. The program covers Lenovo manufactured desktop and notebook computers and computer monitors and peripherals and Medion brand desktop and notebook computers, computer monitors, televisions and peripherals.

Lenovo has partnered with Reverse Logistics Group Americas, Inc. (RLGA) and its Take-Back and Regulatory Compliance management system to offer this program. Consumers can access the webpage and enter information about their location and the equipment they intend to recycle. Based on this information, a free shipping label is generated and sent to the consumer, which the consumer can utilize to ship their used Lenovo product for free recycling. Consumers merely pack the product and ship it using the free shipping label. RLGA will ensure the products are responsibly recycled.

During the 2012-2013 program year, devices totaling 5 pounds were returned to Lenovo through the mail-back program from Utah consumers

Further information on recycling and reuse of computer equipment can be found on Lenovo's website at www.lenovo.com/recycling. Lenovo maintains a toll free telephone number for consumers seeking more recycling information. The toll free number is 1-866-96-THINK.
