Facility File, Public Participation File, Alisa Westenskow

**NOTICE OF PUBLIC COMMENT  
PERMIT RENEWAL  
BOULDER CLASS IVb LANDFILL**

Boulder Town has submitted an application for a permit renewal for the Boulder Class IVb landfill located southwest of Boulder, Utah. The proposed permit application for renewal of the Class IVb landfill has been reviewed and determined to be complete and in compliance with the Utah Solid Waste Permitting and Management Rules. This permit renewal allows the facility to continue to operate the Class IVb landfill for ten years after the permit renewal has been approved. The public comment period for the draft permit begins on October 18, 2019 and ends on November 18, 2019.

Documents related to this modification can be reviewed at the following locations:

Division of Waste Management and Radiation Control  
Multi Agency State Office Building  
195 North 1950 West, 2nd Floor  
Salt Lake City, Utah

For the public's convenience, an unofficial copy of the application and the draft permit is available on the Internet at <https://deq.utah.gov/public-notices-archive/waste-management-radiation-control-public-notices>

Written comments will be accepted if received by 5:00 p.m. on November 18, 2019 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on November 18, 2019.

Ty L. Howard, Director  
Division of Waste Management and Radiation Control  
Department of Environmental Quality  
P.O. Box 144880  
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: [dwmrpublic@utah.gov](mailto:dwmrpublic@utah.gov). Comments sent in electronic format should be identified by putting the following in the subject line: Public Comment on Boulder Class IVb Landfill. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5, a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the Director to fully consider the substance and significance of the issue.

For further information, please contact Allan Moore of the Division of Waste Management and Radiation Control at (801) 536-0255. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Larene Wyss, Office of Human Resources at (801) 536-4284, Telecommunications Relay Service 711, or by email at "[lwyss@utah.gov](mailto:lwyss@utah.gov)".
