NOTICE OF PUBLIC COMMENT
Clean Harbors Aragonite, Trial Burn Class 3 Modification Request
UTD981552177

On May 11, 2017, Clean Harbors Aragonite, LLC submitted a Class 3 Permit modification request seeking approval to operate the Aragonite incinerator with potentially lower inlet scrubber pH limits and a 60-second delay on the broken bag detector waste feed cut-off set point. The modification request included a Trial Burn Plan indicating how the facility intends to conduct testing to demonstrate the new requested permit limits. The Director of the Division of Waste Management and Radiation Control has issued a draft approval for the Clean Harbors Aragonite facility to conduct the proposed trial burn testing in order to demonstrate new operating permit limits.

The public comment period to receive comments on the draft decision to allow Clean Harbors Aragonite to conduct trial burn testing will commence on August 18, 2017 and end on October 2, 2017. A public hearing has been scheduled at 6:00 p.m. on Tuesday, September 19, 2017 in the large Reading Room of the Tooele City Public Library, located at 128 West Vine Street, Tooele, Utah.

Documents related to this Class 3 Permit Modification Request can be reviewed at the following location:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, Utah

For the public's convenience, an unofficial copy of the Class 3 Modification Request and Fact Sheet are available on the Internet at <http://www.deq.utah.gov/NewsNotices/notices/waste/index.htm#phacp>

Written comments will be accepted if received by 5:00 p.m. on October 2, 2017 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on October 2, 2017.

Scott T. Anderson, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: dwmrcpublic@utah.gov. Comments sent in electronic format should be identified by putting the following in the subject line: public comment on Clean Harbors Aragonite Trial Burn Plan. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5, a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the Director to fully consider the substance and significance of the issue.

For further information, contact Boyd Swenson of the Division of Waste Management and Radiation Control at (801) 536-0232. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Larene Wyss, Office of Human Resources at (801) 536-4281, TDD (801) 536-4284 or by email at lwyss@utah.gov.

I(Name), certify that the attached DWMRC mass mail notification was sent to the Division mailing list by email and U.S. Postal service on August 17, 2017, in accordance with applicable rules in R315-15 and 124 through 273.

Enclosure: Email and Mail list

NOTICE

Clean Harbors Aragonite Class 3 Permit Modification Request/Trial Burn Plan Proposed Change in the Incinerator Operating Conditions

Proposed action	The Director of Division of Waste Management and Radiation Control plans to approve a Trial Burn Plan as part of a Class 3 permit modification request submitted by Clean Harbors Aragonite, LLC.
What is the permit modification request about?	Clean Harbors Aragonite operates a commercial hazardous waste incineration facility in Tooele County, Utah. This modification request proposes to lower the inlet wet scrubber pH limits and add a 60 second delay to the broken bag detector waste feed cut-off set point. The modification request includes a Trial Burn Plan outlining how the facility will conduct testing to demonstrate that the incinerator still meets existing stack emission limits while operating at the proposed lower scrubber inlet pH limits and with a delay on the broken bag detector waste feed cut-off set point.
When is the public hearing?	A public hearing to receive comment on the Class 3 Modification request and draft Trial Burn Plan for the Clean Harbors Aragonite facility has been scheduled for Tuesday, September 19, 2017, at 6:00 p.m. in the Large Reading Room of the Tooele City Public Library, located at 128 West Vine Street, Tooele, Utah.
Who can I talk to about this permit modification request?	For additional information or questions concerning the modification request, please contact Boyd Swenson with the Utah Department of Environmental Quality, Division of Waste Management and Radiation Control at (801) 536-0232.
How long is the public comment period?	A public comment period on the draft decision to approve the Clean Harbors Aragonite Class 3 modification request and the associated Trial Burn Plan begins on Friday, August 18, 2017, and ends on Monday, October 2, 2017.
Where can I see the draft Trial Burn Plan?	<p>Documents related to this Class 3 Permit Modification Request (including the draft Trial Burn Plan and Fact Sheet) can be reviewed at the Division of Waste Management and Radiation Control, Multi Agency State Office Building, 195 North 1950 West, 2nd Floor, Salt Lake City, Utah 84116.</p> <p>A copy of the Class 3 Modification Request and Fact Sheet is available on the Internet at http://www.deq.utah.gov/NewsNotices/notices/waste/index.htm#phacp.htm</p>
How do I comment on the draft Trial Burn Plan?	<p>Written comments will be accepted if received by 5:00 p.m. on October 2, 2017 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on October 2, 2017.</p> <p>Scott T. Anderson, Director Division of Waste Management and Radiation Control Department of Environmental Quality P.O.
