NOTICE

Hill Air Force Base – Hazardous Waste Storage Permit Renewal UT0571724350

The Director of the Division of Waste Management and Radiation Control is providing public notice in accordance with R315-124-32 of the Utah Administrative Code that an application was received from Hill Air Force Base on March 29, 2019 to renew its Hazardous Waste Storage Permit. The Permit application is available for review by the public. Following a review of the permit renewal application and subsequent preparation of a draft permit, the Director will notify the public of an opportunity to comment on the draft renewal permit.

Hill Air Force Base provides engineering, logistics management, and maintenance for a variety of Air Force assets. The associated industrial activities generate hazardous waste, as defined by R315-261 of the Utah Administrative Code, which is stored at the facility in containers prior to being shipped off-site for treatment and/or disposal. The Permit directs the management of hazardous waste storage operations at Hill Air Force Base and includes requirements for closure of the waste management facilities.

Documents related to this application can be reviewed at the following location:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, Utah 84116

For the public's convenience, an unofficial copy of the application is available on the Internet at "<https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>".

Information, opinions and inquiries regarding the Permit application may be sent to the address below

Ty L. Howard, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880
