NOTICE OF PUBLIC COMMENT ON  
Hill Air Force Base – Class IVb Landfill Draft Permit

Hill Air Force Base has submitted a permit renewal application to continue operations of a Class IVb Construction and Demolition Landfill located within Hill Air Force Base property limits. Class IVb landfills accept construction and demolition waste as defined in R315-301-2(17).

The Permit application has been reviewed by the Division of Waste Management and Radiation Control for compliance with the Solid Waste Management Rules and a draft permit has been prepared by the Director of Waste Management and Radiation Control. The Director is soliciting comments on the permit application and the draft permit in relation to their compliance with the Solid Waste Management Rules prior to final action by the Director.

The public comment period to receive comments on the draft permit will commence on September 6, 2019 and end on October 7, 2019.

Documents related to this application can be reviewed at the following location:

Division of Waste Management  
and Radiation Control  
Multi Agency State Office Building  
195 North 1950 West, 2nd Floor  
Salt Lake City, Utah 84116

For the public's convenience, an unofficial copy of the draft permit is available on the Internet at <https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>.

Written comments will be accepted if received by 5:00 p.m. on October 7, 2019 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on October 7, 2019.

Ty L. Howard, Director  
Division of Waste Management and Radiation Control  
Department of Environmental Quality  
P.O. Box 144880  
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: [dwmrepublic@utah.gov](mailto:dwmrepublic@utah.gov). Comments sent in electronic format should be identified by putting the following in the subject line: public comment on HAFB draft permit. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5 a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.
