NOTICE OF PUBLIC COMMENT ON
Draft Landfill Permit
Integrated Water Management Pinnacle Fuels Class IIIb Oil and Gas
Exploration and Production Waste Landfill

Integrated Water Management has submitted a permit application to operate the Pinnacle Fuels Class IIIb Oil and Gas Exploration and Production Waste Landfill, located east of Highway 87, at 20355 West 3400 South, Duchesne, Utah 84066. Class IIIb Oil and Gas Exploration and Production Waste landfills accept only oil and gas exploration and production waste.

The permit application has been reviewed by the Division of Waste Management and Radiation Control for compliance with the Solid Waste Management Rules and a draft permit has been prepared by the Director of the Division. The Director is soliciting comments on the draft permit in relation to its compliance with the Solid Waste Management Rules. R315-311-3 of the Utah Administrative Code provides for a public comment period to receive comments on the draft permit prior to final action by the Director.

The public comment period to receive comments on the draft permit will commence on November 13, 2019 and end on December 13, 2019.

Documents related to this draft permit can be reviewed at the following location:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, UT 84116

For the public's convenience, an unofficial copy of the permit renewal application and the draft permit is available on the Internet at: "<https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notices>".

Written comments will be accepted if received by 5:00 p.m. on December 13, 2019 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on December 13, 2019.

Ty L. Howard, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: "dwmrpublic@utah.gov". Comments sent in electronic format should be identified by putting the following in the subject line: public comment on Pinnacle Fuels Class IIIb Landfill Draft Permit. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5 a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.

For further information, please contact Doug Taylor of the Division of Waste Management and Radiation Control at (801) 536-536-0240. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Larene Wyss, Office of Human Resources at (801) 536-4284, Telecommunications Relay Service 711, or by email at "lwys@utah.gov".
