NOTICE OF PUBLIC COMMENT ON
Draft Renewal Permit
Logan City Class I Landfill

Logan City has submitted a permit renewal application to continue to operate its Class I Landfill at 1400 West 200 North, Logan, Utah to continue disposal of non-hazardous solid waste. The permit application has been reviewed by the Division of Waste Management and Radiation Control for compliance with the Solid Waste Management Rules and a draft permit has been prepared by the Director of the Division of Waste Management and Radiation Control. The Director is soliciting comments on the Draft Permit in relation to compliance with the Solid Waste Management Rules. R315-311-3 of the Utah Administrative Code provides for a public comment period to receive comments on the renewal application and draft permit prior to final action by the Director.

The public comment period to receive comments on the draft permit will commence on September 20, 2019 and end on October 21, 2019.

Documents related to this application can be reviewed at the following locations:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, Utah 84116

For the public's convenience, an unofficial copy of the permit renewal application and the draft permit is available on the Internet at "<https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>".

Written comments will be accepted if received by 5:00 p.m. on October 21, 2019 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on October 21, 2019.

Ty L. Howard Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: "dwmrpublic@utah.gov". Comments sent in electronic format should be identified by putting the following in the subject line: Public comment on Logan City Class I Landfill Draft Permit. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5 a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.

For further information contact Doug Taylor of the Division of Waste Management and Radiation Control at (801) 536-0240. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Kimberly Diamond-Smith, Office of Human Resources at (801) 536-4285, Telecommunications Relay Service 711, or by email at "kdiamondsmith@utah.gov".
