NOTICE  
ATK Launch Systems Promontory  
Hazardous Waste Storage and Treatment Permit Renewal  
UTD009081357

The Director of the Division of Waste Management and Radiation Control is seeking public comment on an application from ATK Launch Systems to renew its Hazardous Waste Storage and Treatment Permit for its Promontory facility. The permit application is available for review by the public.

The primary manufacturing operations at ATK Launch Systems include the production and testing of solid rocket motor propellant and the assembly of motor components and segments. The permit governs the management of hazardous waste storage and treatment operations at the Promontory facility. Hazardous waste, as defined by R315-261 of the Utah Administrative Code, is generated and stored at the facility in containers prior to being shipped off-site for treatment and/or disposal. Reactive hazardous waste is treated on-site by open burning or open detonation. The permit also includes requirements for closure of waste management facilities and financial assurance. The permit application can be reviewed at the following locations:

Division of Waste Management and Radiation Control  
Multi Agency State Office Building  
195 North 1950 West, 2nd Floor  
Salt Lake City, Utah

Brigham City Public Library  
26 East Forest Street  
Brigham City, Utah

For the public's convenience, an unofficial copy of the permit application is available on the Internet at "<https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>".

The ATK Launch Systems contact for questions about the permit renewal application is Kris Blauer who can be reached at (801) 251-2166. The Division of Waste Management and Radiation Control contact for this permit renewal is Jeff Vandel who can be reached at (801) 536-0257.

Comments on the permit application may be sent to the address below:

Scott T. Anderson, Director  
Division of Waste Management and Radiation Control  
Department of Environmental Quality  
P.O. Box 144880  
Salt Lake City, Utah 84114-4880

For further information, contact Jeff Vandel of the Division of Waste Management and Radiation Control at (801) 536-0257. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Kimberly Diamond-Smith, Office of Human Resources at (801) 536-4285, Telecommunications Relay Service 711, or by email at "[kdiamondsmith@utah.gov](mailto:kdiamondsmith@utah.gov)".
