RE: Class IIIb Landfill Permit

Dear Mr. Cunningham:

The 30-day public comment period for the Huntington Class IIIb draft permit began on October 25, 2018. The announcement of the public comment period appeared in the Emery County Progress. No comments were received. Accordingly, no changes were made to the draft permit.

Enclosed is Permit #002R2, which expires on December 12, 2028.

Representatives of the Division of Waste Management and Radiation Control and/or representatives of the Southeastern Utah District Health Department will conduct periodic inspections. The inspections are to assess compliance with the conditions of the Permit and the Solid Waste Permitting and Management Rules.

If you have any questions, please call Rob Powers at (801) 536-0255.

Sincerely,

Scott T. Anderson, Director  
Division of Waste Management and Radiation Control
