Facility File, Public Participation File, Alisa Westenskow

NOTICE OF PUBLIC COMMENT
Salt Lake Valley Solid Waste Management Facility

The Director of the Division of Waste Management and Radiation Control is soliciting public comment on a proposal from the Salt Lake Valley Solid Waste Management Facility (SLVSWMF) for a permit modification to change the design of the final cover for its landfill located at 6030 West California Avenue. The proposed final cover consists of four feet of soil to provide moisture storage and six inches of soil capable of sustaining vegetation. Solid Waste Permitting and Management Rules allow for alternative cover designs if the facility can demonstrate the liner meet the performance standards. SLVSWMF has made this demonstration.

The public comment period to receive comments on the alternative final cover will commence on February 8, 2017 and end on March 13, 2017. Documents related to this request can be reviewed at the following location:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, Utah

For the public's convenience, an unofficial copy of the alternative cover analysis, stability analysis, settlement analysis and liner and pipe integrity analysis are available on the Internet at <http://www.deq.utah.gov/NewsNotices/notices/waste/index.htm#phacp>

Written comments will be accepted if received by 5:00 p.m. on March 13, 2017 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on March 13, 2017.

Scott T. Anderson, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: "dwmrcpublic@utah.gov". Comments sent in electronic format should be identified by putting the following in the subject line: public comment on "SLVSWMF Alternative Final Cover". All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5, a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the Director to fully consider the substance and significance of the issue.

For further information, please contact Roy Van Os of the Division of Waste Management and Radiation Control at (801) 536-0245. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Sharyn Dobson, Office of Human Resources at (801) 297-3810 TDD (801) 903-3978 or by email at "sharyndobson@utah.gov".
