NOTICE OF PUBLIC COMMENT ON
Sanpete County Class IVb Landfill Permit Renewal
SW198

Sanpete County has submitted a permit renewal application to continue operations of a Class IVb Landfill located within Sanpete County. The Permit application has been reviewed by the Division of Waste Management and Radiation Control for compliance with the Solid Waste Management Rules and a draft permit has been prepared. The Director is soliciting comments on the draft permit prior to final action by the Director.

The public comment period to receive comments on the Permit Renewal will commence on July 3, 2020 and end on August 3, 2020.

For the public's convenience, an unofficial copy of the draft permit is available on the Internet at <https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>

Written comments will be accepted if received by 5:00 p.m. on August 3, 2020 and should be submitted to the address below.

Ty L. Howard, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, UT 84114-4880

Comments can also be sent by electronic mail to: "dwmrcpublic@utah.gov". Comments sent in electronic format should be identified by putting the following in the subject line: Public Comment on Sanpete County IVb permit renewal. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5 a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.
