RE: Used Oil Transfer Facility Permit UOP-0170 Approval  
UTD035338169

Dear Mr. Christian:

The Division of Waste Management and Radiation Control has completed its review of Thomas West Fuels, Lubricants and Chemicals, LLC's application for a permit to operate as a used oil transfer facility in the State of Utah. A fifteen-day public comment period on the permit application and draft permit began on February 3, 2017 and ended February 17, 2017. No public comments were received.

Enclosed are your Used Oil Transfer Facility Permit (UOP-0170) and 2017 Used Oil Handler Certificate. Please use this permit number in future correspondence to the Division. If you have any questions, please call David Wheeler at (801) 536-0260.

Sincerely,

Scott T. Anderson, Director  
Division of Waste Management and Radiation Control
