NOTICE OF PUBLIC COMMENT ON
Tire Derived Fuel International LLC
SW408

Tire Derived Fuel International LLC (TDFI) has submitted a permit application for storage of waste tires at their location in Fillmore, Utah. The proposed permit application has been reviewed and has been determined to be complete and in compliance with the Utah Solid Waste Permitting and Management Rules. A draft permit has been prepared and the Director of the Division of Waste Management and Radiation Control is seeking public comment on the Draft Permit. The public comment period to receive comments on this Waste Tire Storage Permit begins on April 30, 2020 and ends on June 1, 2020.

Copies of the draft permit and related documents are available for public review during normal business hours at the following location:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, UT 84116

For the public's convenience, an unofficial copy of the Waste Tire Storage Permit is available on the Internet at <https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>

Written comments will be accepted if received by 5:00 p.m. on June 1, 2020 and should be submitted to the address below.

Ty L. Howard, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, UT 84114-4880

Comments can also be sent by electronic mail to: "dwmrpublic@utah.gov". Comments sent in electronic format should be identified by putting the following in the subject line: Public Comment on Tire Derived Fuel International LLC (TDFI) Waste Tire Storage Permit. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5 a person who wishes to challenge a Permit may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.

For further information contact Tina Mercer of the Division of Waste Management and Radiation Control at (801) 536-0259. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Larene Wyss, Office of Human Resources at (801) 536-4284, Telecommunications Relay Service 711, or by email at "lwyss@utah.gov".
