On July 13, 2020, the Division of Waste Management and Radiation Control (Division), issued a letter indicating that, per previous conversations, Tooele Army Depot - North Area (TEAD-N) wanted to terminate the Post Closure Permit and incorporate the requirements therein into the RCRA Part B Permit (DSHW-2020-009903). The Director of the Division is issuing a draft permit for TEAD-N and, pending public comment, consolidating the facility's Post Closure and RCRA Part B permits.
