

ATTACHMENT 8
GROUNDWATER MANAGEMENT AREA MAP

ATTACHMENT 8 Ground Water Management Area Map

DOMESTIC WELLS		LEGEND	
○	Depth Unknown		Groundwater Use Restrictions in Place
●	Depth Less than 250 Feet		Existing GWMA
⊕	Existing Sentinel Well		Addition to GWMA
⊕	Proposed Sentinel Well		Proposed Boundary of Enlarged GWMA
⊕	Existing Non-Sentinel Monitoring Wells		Plume Margin - 5 ug/L TCE (Fall 2008 Groundwater Sampling Event)

Wells and associated depths were downloaded from the Utah Division of Water Rights website, August 2009. Well ID number can have several water rights associated with it. There are some water rights that have not been associated with a well.
