Utah Recycling Market Development Zone Application for Counties and Municipalities

Criteria for Designation:

1. An area may be designated as a recycling market development zone only if:
 - a) the county or municipality agrees to make a qualifying local contribution under Section [19-13-105](#) (See Below); and
 - b) the county or municipality provides for postconsumer waste collection for recycling within the county or municipality
2. The executive authority of any municipality or county desiring to be designated as a recycling market development zone shall:
 - a) obtain the written approval of the municipality or county's legislative body; and
 - b) file an application with the department demonstrating that the county or municipality meets the requirements of this part

Section [19-13-105](#): Qualifying Local Contributions

Qualifying local contributions to the recycling market development zone may vary depending on available resources, and may include:

- (1) Simplified procedures for obtaining permits;
- (2) Dedication of available government grants;
- (3) Waiver of business license or permit fees;
- (4) Infrastructure improvements;
- (5) Private contributions;
- (6) Utility rate concessions;
- (7) Suspension or relaxation of locally originated zoning laws or general plans; and
- (8) Other local contributions the office finds promotes the purpose of this part

Note: This is not an exhaustive list. Please consider any other contributions that your county/municipality may make and be sure to list them below.

Recycling Market Development Zone Application for Counties and Municipalities

County/Municipality Applicant:
Local Recycling Zone Coordinator:
Date of Application:
Telephone Number:
E-mail Address:
Mailing Address:

Please provide all required documentation as an attachment to this application:

1. Identify the proposed recycling market development zone. You must provide information identifying the proposed area in the three following formats.
 - a. Provide a GIS shapefile of the proposed area.
 - b. Provide a .kml file of the proposed area (for use with Google Earth™ etc.).
 - c. Provide a sufficient number of pdf maps to clearly show all extents of the proposed area.
2. Identify the local contributions meeting the requirements in Section [19-13-105](#) (see above).
3. How does your county or municipality provide for postconsumer waste collection for recycling within the county or municipality?
4. Identify and outline the following:
 - a. The specific investment or development reasonably expected to take place:
 - b. Any commitments obtained from businesses to participate, and in what capacities regarding recycling markets:
 - c. List the names of any economic development plans that will be maintained on file with the local recycling zone coordinator as part of this application that demonstrate coordination between the recycling zone and overall development goals:
 - d. Demonstrate that sufficient portions of the proposed zone area are zoned as appropriate for the development of commercial, industrial, or manufacturing businesses.
 - e. Outline the county's or municipality's long-term waste management plan and evidence that the zone will be adequately served by the plan.
 - f. Outline the county's or municipalities postconsumer waste collection infrastructure:
5. Outline the county's or municipality's proposed means of assessing the effectiveness of the development plan or other programs implemented within the zone:

6. State whether within the zone either of the following will be established:
 - a. commercial composting
 - b. commercial manufacturing that will produce end products that consist of not less than 50% recovered materials, of which not less than 25% is post-consumer waste material
7. Include any additional information the county or municipality considers relevant to its designation as a recycling market development zone.
8. Attach the written approval from the municipality or county's legislative body of the recycling market development zone.

The application for Recycling Market Development Zone designation should be submitted in one of the following ways:
