

UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY
DIVISION OF WASTE MANAGEMENT AND RADIATION
CONTROL

REGISTRATION FORM - IN VITRO TESTING
WITH RADIOACTIVE MATERIAL UNDER GENERAL LICENSE

R313-21-22(9) of the Utah Radiation Control Rules establishes a general license authorizing physicians, veterinarians, clinical laboratories, and hospitals to possess certain small quantities of radioactive material for in vitro clinical or laboratory tests not involving the internal or external administration of the radioactive material or the radiation therefrom to human beings or animals. Possession of radioactive material under this general license is not authorized until the physician, veterinarian, clinical laboratory, or hospital has filed form DWMRC-07 with the required \$20.00 registration fee, and received from the Division of Waste Management and Radiation Control a Certificate of Registration. Pursuant to R313-70-5(3)(a), a general license Certificate of Registration is valid for a period of five years provided the annual fee is paid.

INSTRUCTIONS

Submit this form to: Utah Division of Waste Management and Radiation Control, Department of Environmental Quality, P.O. Box 144880, Salt Lake City, Utah 84114-4880. A certification number will be assigned and a validated Certificate of Registration will be returned.

I hereby apply for a Certificate of Registration for (please check one):

- _____ Myself, a duly licensed physician or veterinarian authorized to dispense drugs in the practice of medicine or veterinary medicine in Utah.
- _____ The above-named clinical laboratory.
- _____ The above-named hospital.

I HEREBY CERTIFY THAT:

1. All information in this registration form is true and complete.
2. The registrant has appropriate radiation measuring instruments to carry out the in vitro clinical or laboratory tests for which radioactive material will be used under the general license. The in vitro clinical or laboratory tests will be performed only by personnel competent in the use of radiation measuring instruments and in the handling of the materials.
3. I understand that the Utah Radiation Control Rules require that **any changes** in the information furnished in this application will be reported in writing to the Director of the Utah Division of Waste Management and Radiation Control **within 30 days** from the effective date of such change.
4. I have read and understand the provisions of R313-21-22(9). I understand that compliance with these provisions is required as to all radioactive material which is received, possessed, used, or transferred under the general license for which this form is filed with the Utah Division of Waste Management and Radiation Control.
