Re: Transmittal of Source Assessment Report for MW-30 White Mesa Mill Groundwater Discharge Permit UGW370004

Dear Mr. Goble:

Enclosed are two copies of Energy Fuels Resource (USA) Inc.'s ("EFRI's") Source Assessment Report ("SAR") for MW-30 at the White Mesa Mill. This SAR addresses the constituents that were identified as exceeding the previously revised GWCLs in the 2nd Quarter 2018 as described in the Division of Waste Management and Radiation Control ("DWMRC")-approved Q2 2018 Plan and Time Schedule. EFRI submitted the Plan and Time Schedule for MW-30 on August 28, 2018. DWMRC approval of the Plan and Time Schedule was received by EFRI on October 18, 2018. Pursuant to the Plan and Time Schedule EFRI has prepared this SAR.

This transmittal also includes two CDs each containing a word searchable electronic copy of the report.

If you should have any questions regarding this report please contact me.

Yours very truly,

ENERGY FUELS RESOURCES (USA) INC.
