RE: Approval of the Sigurd North Quarry Solid Waste Landfill Closure Report,
Georgia-Pacific Crescent Landfill

Dear Ms. Perez:

The Division of Waste Management and Radiation Control (Division) has received and reviewed the *Sigurd North Quarry Solid Waste Landfill Closure Report*, dated April 15, 2021, submitted by Georgia-Pacific Gypsum LLC (Georgia-Pacific). This closure report is for the landfill also known as the Georgia-Pacific Crescent Landfill. The closure activities were observed by the Division throughout the closure process and the closure report is consistent with the observations made by the Division.

The aforementioned document describing the closure activities and pictures of the Sigurd North Quarry Landfill is hereby approved. Georgia-Pacific may now begin the post closure care of the facility as described in the 2017 approved Closure and Post-Closure plan.

If you have any questions, please contact Doug Taylor at (801) 536-0200.

Sincerely,

Jalynn Knudsen, Interim Director
Division of Waste Management and Radiation Control
