NOTICE OF PUBLIC COMMENT ON
Renewal of Permit
Long Valley Sanitary Landfill

The Western Kane County Special Service District #1 submitted a permit application to renew their permit to operate the Long Valley Sanitary Landfill (a Class II Landfill) located near Glendale, Utah in Kane County. The permit application has been reviewed and has been determined to be complete and in compliance with the Utah Solid Waste Permitting and Management Rules. The Permit allows the facility to continue to operate the Long Valley Sanitary Landfill for ten years after it has been approved. The Director of the Division of Waste Management and Radiation Control is seeking public comment on the Permit.

The public comment period to receive comments on the Permit renewal will commence on February 5, 2021 and end on March 8, 2021.

Documents related to this application can be reviewed on the Internet at <https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>

Written comments will be accepted if received by 5:00 p.m. on March 8, 2021. Comments should be submitted to the address below or by electronic mail as detailed below.

Ty L. Howard, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: dwmrcpublic@utah.gov. Comments sent in electronic format should be identified by putting the following in the subject line: Public Comment on Long Valley Permit. All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5, a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.

For further information, please contact Matt Sullivan of the Division of Waste Management and Radiation Control at (801) 536-0241. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Larene Wyss, Office of Human Resources at (801) 536-4284, Telecommunications Relay Service 711, or by email at "lwyss@utah.gov".
