UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY
DIVISION OF WASTE MANAGEMENT AND RADIATION CONTROL
NOTICE OF PUBLIC COMMENT ON
Tooele Bauer Class IV Landfill (Tooele CD)

Tooele Bauer Class IV Landfill has submitted a permit renewal application for their landfill located in Bauer, Tooele County. This landfill accepts only non-hazardous construction/demolition waste. Adjacent to the facility is a transfer station, composting area (currently unused), and an industrial landfill currently under post-closure care. Historically, individual permits were issued for each operation, but they will now be consolidated under the Tooele Class IV Landfill permit since they are all operated within a single facility boundary. The Division of Waste Management and Radiation Control has reviewed the permit renewal documents and has prepared a draft permit.

A 30-day public comment period to receive comments on the permit renewal will commence on May 2, 2022 and end at 5 p.m. on Friday, May 31, 2022.

Documents related to this application can be reviewed at the Division of Waste Management and Radiation Control Public Notices web site at:

If further information or assistance in obtaining a copy of documents is required, contact Roy Van Os at (801) 536-0245.

Written comments will be accepted if received by 5:00 p.m. on May 31, 2022. Written comments must be directed to the following address:
