# Standards for Used Oil Fuel Marketers

## R315-15-7

# Standards for Used Oil Fuel Marketers *R315-15-7*

## **Who is?**

- Any person who directs a shipment of off-specification used oil from their facility to a used oil burner; or
- First determines and claims that used oil that is to be burned for energy recovery meets the used oil fuel specifications.

# Standards for Used Oil Fuel Marketers *R315-15-7*

## **Who is NOT?**

- Generators, and transporters who transport used oil received only from generators, unless they direct the off-specification used oil to a used oil burner, but not to a processors/re-refiners who burns incidentally to processing.
- Persons directing shipments who are not the first person to claim the oil meets the used oil fuel specifications.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

**Also comply with one of the following**

- Standards for Used Oil Generators;
- Standards for Used Oil Transporters and Transfer Facilities;
- Standards for Used Oil Processors and Re-refiners; or
- Standards for Used Oil Burners who Burn Off-Specification Used Oil for Energy Recovery.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## **Registration**

- A person may not act as a used oil fuel marketer without receiving a registration number and a used oil handler certificate.

**Application General Information**

<b>Company Name</b> (As registered with Utah Department of Commerce)		<b>Facility EPA ID #</b> (Not for UOCCs)		<b>NAICS Code</b> (If applicable)
<b>Company Street Address</b>	<b>City</b>	<b>State</b>	<b>Zip Code</b>	<b>Telephone #</b> (10 digits)
<b>Mailing Address</b> (If different than street address)	<b>City</b>	<b>State</b>	<b>Zip Code</b>	<b>Telephone #</b>
<b>Facility's Street Address</b> (If different than company)	<b>City</b>	<b>State</b>	<b>Zip Code</b>	<b>Telephone #</b>
<b>Company Owner</b>				<b>Telephone #</b>
<b>Contact Name &amp; Title</b> (If different than company owner)		<b>Contact e-mail Address</b>		<b>Telephone #</b>
<b>Land Owner</b> (If different than company/business owner)				<b>Telephone #</b>

**Current and/or Previous Permits with Utah DEQ**

The  
Application  
Form

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## **Prohibitions**

- Initiate a shipment of off-specification used oil only to a used oil burner who:
  - Has an EPA identification number; and
  - Burns the used oil in an industrial furnace or boiler.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## **On-Specification used oil fuel**

- Determine that used oil that is to be burned for energy recovery meets the fuel specifications and the PCB requirements by:
  - Performing analyses or
  - Obtaining copies of analyses or other information approved by the Director.
- Used oil is not considered to be on-specification until it has been certified as such by a registered used oil fuel marketer.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## **Record retention**

- Keep copies of analyses of the used oil, or other information used to make the determination, for three years.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## **Notification (EPA)**

- Obtain an EPA identification number.
- By submitting to the Director either:
  - A completed EPA Form 8700-12.; or
  - A letter to the Director with the required information.

## RCRA Subtitle C Reporting Instructions and Forms

EPA Forms 8700-12, 8700-13 A/B, 8700-23

**DISCLAIMER:** This is an excerpt containing only the information pertinent to the Site Identification Form (Form 8700-12). The Instructions and Forms for all three forms can be found here:

Marketers  
*R315-15-7*

## **Tracking (Off-specification)**

- Keep a record of each off-specification used oil shipment to a used oil burner.
- May use a log, invoice, manifest, bill of lading, or other shipping documents that includes the required information.
- Maintained for at least three years.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## **Tracking (On-specification)**

- Keep a record of each on-specification used oil shipment to an on-specification used oil burner.
- May use a log, invoice, manifest, bill of lading, or other shipping documents that includes the required information.
- Maintained for at least three years.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## Notices

- Obtain a one-time written and signed notice certifying that the burner:
  - Notified the Director of location and management activities.
  - Obtained an EPA identification number and required permit and handler certificate.
  - Will burn the off-specification used oil in an industrial furnace or boiler.
- Maintained certification for three years, from the last shipment.

Standards for  
Used Oil Fuel  
Marketers  
*R315-15-7*

## **Laboratory Analyses**

- Use a Utah-certified laboratory, to satisfy the analytical requirements.
