BACKGROUND

Salt Lake City Corporation has modified its sewer ordinance for implementing the pretreatment program due to comments received by the Division of Water Quality. These changes are to be consistent with requirements of R317-8-8 and 40 CFR 403.5 (a)(2). The changes could impact industrial dischargers discharging to the Publicly Owned Treatment Works, which is owned, maintained and operated by Salt Lake City Corporation.

PUBLIC COMMENTS

Public comments are invited any time prior to the deadline of the close of business on **March 10, 2022**. Written public comments can be submitted to: Jennifer Robinson, Individual Permitting Section, Utah Division of Water Quality, PO Box 144870, Salt Lake City, Utah 84114-4870 or by email at: jenrobinson@utah.gov.

A public hearing can be requested although must be filed during the comment period which will end on **March 10, 2022**. A request for a public hearing must be filed per the requirements of 40

CFR 403.11. After considering public comments the director may approve, revise or abandon the revisions to the ordinance. The director will not publish a notice of decision provided the ordinance will be approved without any changes and no comments are received during the public comment period.

Copies of the changes to the ordinance are available for public review by contacting the Division of Water Quality. A copy may be obtained by contacting Jennifer Robinson at jenrobinson@utah.gov or at (385) 501-9585.
