PERMIT INFORMATION

NAME: EXPEDITED SETTLEMENT OFFER FOR STONE CREEK SUBDIVISION.

BACKGROUND

The Utah Pollutant Discharge Elimination System (UPDES) General Permit for Discharges from Construction Activities (Permit No. UTRC00000) authorizes owners and operators of construction activities that meet the requirements of Part 1 of this permit to discharge pollutants in accordance with specific effluent limitations and conditions. The Division conducted an inspection of the construction site on April 23, 2019 as part of routine inspections. The following violations were discovered during the inspection: The permit had expired and construction had continued for 8 months of unpermitted activity before coverage was obtained, no Storm Water Pollution Prevention Plan (SWPPP) was developed, 8 inspections were missed, 4 storm drain inlets were missing protections, sediment was tracked to the street in 10 lots, and concrete washout was dumped on 4 lots.

5. The Parties voluntarily enter into this ESO in order to: identify the actions necessary to correct the deficiencies observed at the Project; determine the amount of the civil penalty appropriate for the violation(s) based on the deficiencies alleged; and to conclude this matter without the necessity of further administrative or judicial proceedings. The Parties may agree to settle an action at any time through a Settlement Agreement as provided for in UAC R305-7-320.
6. Operator understands and agrees that a penalty in the amount of \$11,960 is appropriate based on the application of DWQ's penalty policy contained in UAC R317-1-8 as applied to the violation(s) under the circumstances specified herein. This proposed settlement and penalty is subject to a thirty (30) day notice and comment period as provided for in UAC R305-7-402. The Parties each reserve the right to withdraw from this ESO if comments received during the notice period result in a modification to the terms and conditions.
7. By accepting this ESO, Operator neither admits nor denies the findings, violations or deficiencies specified herein.
8. Operator agrees to the terms, conditions and requirements of this ESO. By signing this ESO, Operator understands, acknowledges and agrees that it waives: (1) the opportunity for an administrative hearing pursuant to UCA 19-1-301; (2) the right to contest the finding(s) in the ESODF and the penalty amount specified herein; and (3) the opportunity for judicial review.
