DIVISION OF WATER QUALITY
UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY
PUBLIC NOTICE OF A PRETREATMENT UPDES PERMIT

PURPOSE OF PUBLIC NOTICE

THE PURPOSE OF THIS PUBLIC NOTICE IS TO DECLARE THE INTENTION OF THE STATE OF UTAH TO ISSUE A UTAH POLLUTANT DISCHARGE ELIMINATION SYSTEM (UPDES) PERMIT UNDER THE AUTHORITY OF THE UTAH WATER POLLUTION CONTROL ACT, SECTION 19-5-104(9) AND 107(2), UTAH CODE ANNOTATED 1953, AS AMENDED. SAID "PERMIT" REFERS TO THE UPDES PERMIT AND THE STATEMENT OF BASIS.

PERMIT INFORMATION

PERMITTEE NAME: Tyson Fresh Meats, Inc
TELEPHONE NUMBER: (801) 789-2040
FACILITY LOCATION: 3817 North Tyson Parkway
Eagle Mountain, Utah 84005
UPDES PERMIT NO.: UTP000060
PERMITTED OUTFALLS: 001
RECEIVING WATER: Eagle Mountain Publicly Owned Treatment Works (POTW)

BACKGROUND

Tyson Fresh Meats, Inc (Tyson) is a food processor of beef and pork products. The facility also has cold storage for these products.

Tyson has been classified as a significant industrial user due to the flow volume and pollutant load discharged to the publicly owned treatment works (POTW). Limitations for the plant effluent will be based on protecting the POTW from pass through and interference from the process wastewater. The wastewater will be treated utilizing screening, a gas energy mixing (GEM) system and pH neutralization.

Sludge and screening material generated as part of the process will be disposed of by either land application or an off-site facility. Hauled material must be disposed of properly and records must be maintained regarding the disposal.

PUBLIC COMMENTS

Public comments are invited any time prior to the deadline of the close of business on **June 4th, 2021**. Written public comments can be submitted to: Jennifer Robinson, Individual Permitting

Section, Utah Division of Water Quality, PO Box 144870, Salt Lake City, Utah 84114-4870 or by email at: jenrobinson@utah.gov.

A public hearing can be requested although must be filed during the comment period which will end on **June 4th, 2021**. After considering public comments the director may execute the permit issuance, revise it or abandon it. The director will not publish a notice of decision provided the permit will be signed without any changes and no comments are received during the public comment period.

Copies of these documents are available for public review by contacting the Division of Water Quality. A copy may be obtained by contacting Jennifer Robinson at jenrobinson@utah.gov or at 801-536-4383.
