DIVISION OF WATER QUALITY
UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY
PUBLIC NOTICE

THE FISCAL YEAR 2017 INTENDED USE PLAN & PROJECT PRIORITY LIST

The Utah Water Quality Board is accepting public comment on the proposed FY 2017 Intended Use Plan (IUP) & Project Priority List (PPL) for the Utah Wastewater Project Assistance Program which allows for funding of wastewater treatment projects, nonpoint source pollution control, storm water and underground wastewater disposal system projects. No rules were revised for FY 2017. Best available information and data was utilized to develop the IUP & PPL.

THOSE AFFECTED BY THE PROPOSED CHANGES:

The proposed IUP & PPL have the potential of affecting many of the political subdivisions in Utah responsible for providing wastewater conveyance, treatment, or storm water systems and individuals that are interested in low-interest loans to construct nonpoint source pollution control projects or improve underground wastewater disposal systems. It is very important that all communities and individuals, prior to being funded through the SRF Loan Program, be ranked using criteria listed in U.A.C. R-317-100 and be included on the IUP.

Funding in the form of loans during FY 2017 may be made available to projects listed on the IUP & PPL that are ready to proceed subject to availability of funds. The number of projects that may be funded may vary depending on future changes in the ranking of projects, eligibility determinations, congressional appropriations, and other relevant factors.

PUBLIC COMMENTS

Public comments are invited any time prior to the deadline close of business March 9, 2017. Written public comments can be submitted to Marsha Case, Contract/Grant Analyst, Utah Division of Water Quality, P.O. Box 144870, Salt Lake City, UT 84114-4870 or by email to: mcase@utah.gov

FURTHER INFORMATION

Information concerning the IUP & PPL is available for public review at:

<http://www.deq.utah.gov/NewsNotices/notices/water/index.htm#fa> or may be obtained in person at the Division of Water Quality, 195 North 1950 West, Multi Agency State Office Building in Salt Lake City, Utah.
