

**Utah Lake Water Quality Study: Stakeholder Process
Science Panel Calls #1 and #2
Call Summaries
*July 11-12, 2018***

This document includes a list of future meetings/calls, action items, and a brief summary of the discussions on each day. Please review the action item list for tasks assigned to you and/or the Science Panel in general. A list of attendees, for each day, can be found at the end of the document.
