I am aware that there are significant penalties for submitting false information, including the possibility of fine an imprisonment.							
Printed Name:		Title:					
Signature:	Organization:						
Date (mm/dd/yy):	Email:	_					
This application must be signed by the owner, operator, or authorized representative of the facility.							

<u>Important</u>: A Notice of Intent (NOI) form will not be considered complete unless you answer every question. If an item does not apply to you, enter "Not Applicable" to show that you considered the question. The appropriate fees must be paid for coverage under Drinking Water Treatment Plant General Permit.

Part II: Application Status

Check the box that applies to your project and provide the requested information.

Part III: Facility Information

Identify the Drinking Water Treatment Plant Facility name and location. Provide the mailing address of the location. If different than the mailing address give the address or location of the facility.

Part III: Facility Operator and Contacts

Identify the Drinking Water Treatment Plant Facility Operator and provide the contact information. If there are any additional contacts for the facility provide that information.

Part IV. Potential Receiving Water(s) and Discharge Location(s):

Provide the potential receiving waterbodies that shall receive the discharge water from the drinking water facility. Please provide the waterbody classification. A discharge location and description should be included. A discharge is considered to be a discrete channel, conveyance, structure or flow path from which discharge leaves the facility after all treatment, prior to discharge into state surface waters.

Part V. Description of Wastewater Treatment:

Applicants are to provide an overview of the wastewater treatment processes used for the drinking water facility.

Part VI. Disposal Practices:

Provide a description of how sludge, sediment, backwash or any other pollutants are generated and how they are treated or removed.

Part VI. Certification Information

The NOIs, must be signed as follows:

- 1) For a corporation, a responsible corporate officer shall sign the NOT, a responsible corporate officer means:
 - a. A President, secretary, treasurer, or vice-president of the corporation in charge of a principal business

- function, or any other person who performs similar policy- or decision-making functions for the corporation; or
- b. The manager of one or more manufacturing, production, or operating facilities, if
 - i. The manager is authorized to make management decisions that govern the operation of the regulated facility, including having the explicit or implicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long term environmental compliance with environmental statutes and regulations:
 - ii. The manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and
 - iii. Authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.
- 2) For a partnership of sole proprietorship, the general partner or the proprietor, respectively; or
- 3) For a municipality, state or other public agency, either a principal executive officer or ranking elected official shall sign the application; in this subsection, a principal executive officer of any agency means;
 - a. The chief executive officer of the agency; or
 - b. A senior executive officer having responsibility for the overall operations of a principal geographic unit or division of the agency.

Include the name, title, and email address of the person signing the form and the date of signing. An unsigned or undated NOI will not be considered valid to receive permit coverage.

You are required to comply with all conditions and reporting requirements until the NOT is submitted to DWQ, including submission of Discharge Monitoring Reports (DMR).

Where to File NOI form:

Please submit the original form with a signature in ink to DWQ online portal https://deq.utah.gov/water-quality/water-quality-electronic-submissions or the below address. Remember to retrain a copy for your records.
