Notes

Meeting welcome and introductions

By Don Leonard

Agenda approval and previous meeting note corrections

Meeting note corrections and approval were missed at this meeting and will be conducted at the next meeting.

Reports and Discussion on Council Projects

“Water for Great Salt Lake” draft report

Introduced by Don Leonard (00:02:50)

Presentation and discussion with Brian Nicholson (SWCA) (00:09:50)

Leland Myers moved to accept council member’s recommendations of re-opening the solicitation for additional idea or comments on existing strategies, reaching out to interests that may have been missed in the initial call for ideas, and identifying mechanisms for evaluating strategy ideas potentially including both council members and the public, then moving forward with the document. Motion seconded by Jeff Scott and approved unanimously.

GSLAC research priority list update

Introduced by Don Leonard (00:45:00)

Presentation and discussion with Brian Nicholson (SWCA) (00:48:00)

Leland Myers moved to adopt updated research priority list as a living document. Motion seconded by Carlton Christensen. Motion approved unanimously.

Future scope of work for Integrated Water Resource Management Model

Presentation and discussion with Jeff DenBleyker (CH2M) (01:03:25)

Leland Myers moved to encourage agencies to explore options for funding to finish work necessary for distributing the IWRM. Motion seconded by Dan Tuttle. Motion approved unanimously.

Public Comments (01:02:05)
