

MEETING AGENDA

January 9, 2018

9:30-11:30

Utah Division of Water Quality

195 North 1950 West

Red Rocks Conference Room, 3rd Floor

- 9:30-9:45** **Welcome and Introductions** (Erica Gaddis, Director, Division of Water Quality)
- 9:45-10:15** **North Fork of the Virgin River TMDL** (Amy Dickey- Utah Division of Water Quality)
Over the past several years the Division of Water Quality has been working with other state and federal agencies, as well as private landowners, to reduce E.coli loading into the North Fork of the Virgin River. To assist with this effort DWQ has developed a TMDL for this waterbody. This presentation will highlight the objective of thi TMDL.
- 10:15-10:45** **UDOT's Storm Water Program** (Rhonda Thiele-Utah Department of Transportation)
Often times, spills, or other water quality problems can occur on Utah's roads, and highways. This presentation will highlight the processes that are used by UDOT to deal with such issues.
- 10:45-11:00** **Statewide Water Quality Outreach Campaign update** (Nancy Mesner- Utah State University)
Since the last Water Quality Task Force meeting, a subcommittee, consisting of various agencies, has met to discuss a potential statewide water quality campaign. This presentation will review what was determined in that meeting, and seek feedback from the Water Quality Task Force.
- 11:00-11:30** **Tintic Valley Pinion Juniper Water Quality/Quantity Study** (Hugh Hurlow- Utah Geologic Survey)
Over the past decade hundreds of thousands of acres of pinion juniper stands across the State of Utah have been chained, or mulched in an attempt to improve the natural resources in those areas. In an attempt to determine the impacts that these activities are having on the water table, and water quality UGS has begun doing a study in the Tintic Valley. This presentation will highlight the research study, and what they hope to learn from this study.
- 11:30-11:45** **Other Business**
- NPS Management Plan
 - Next meeting
 - Funding
 - Agency Coordination Meeting
- 11:45** **Close meeting**
