**Division of Water Quality
Utah Department of Environmental Quality
Public Notice of Permit UTU-49-AP-4C52E67
Underground Injection Control Class V Well Permit Aquifer
Storage and Recovery, Category UTC Well 5F**

Purpose of Public Notice

The Utah Department of Environmental Quality (DEQ) is soliciting comments on the request to permit Underground Injection Control (UIC) Class V Draft permit UTU-49-AP-4C52E67. The permit is issued by the Director of the Division of Water Quality (DWQ) under authority of the Utah Water Quality Act, Section 19-5-106(g) Utah Code Ann. 1953, as amended and Utah Administrative Code R317-7. Under Section R317-7-13 the Director of DWQ will investigate and provide written response to all citizen complaints duly submitted. In addition, the Director shall not oppose intervention in any civil or administrative proceeding by any citizen where permissive intervention may be authorized by statute or rule. The Director will publish notice of and provide at least thirty (30) days of public comment on any proposed settlement of any enforcement action. Utah Administrative Code R317-7-13 can be viewed at the following internet URL: <https://rules.utah.gov/publicat/code/r317/r317-007.htm#E14>

Permit Information

Permittee Name: Provo City
Facility Location: Provo City, Utah County
Mailing Address: 1377 South 350 East
Provo, Utah 84606

Provo City proposes an aquifer storage and recovery (ASR) system using the Riverwoods and 5600 North municipal wells as an integral part of their public water supply system. The purpose of the ASR system is to inject excess culinary water into the subsurface aquifer using the Riverwoods and 5600 North wells.

Public Comments

Public comments are invited any time prior to **March 3, 2023**. Comments may be directed to the Division of Water Quality, PO Box 144870, Salt Lake City, UT 84114-4870 or via email to wqcomments@utah.gov. All comments received prior to close of business **March 3, 2023**, will be considered in the formulation of final decision to renew and modify the permit. A public hearing maybe held if written requests are received within the first 15 days of this public comment period that demonstrate significant public interest and substantive issues exist to warrant holding a hearing.

Additional Information

Additional information may be obtained upon request by emailing Porter Henze at pkhenze@utah.gov or (385) 566-7799 or by writing to the aforementioned address. The Draft Permit and related documents are available for review at <http://www.waterquality.utah.gov/PublicNotices/index.htm>.
