

**Utah Lake Water Quality Study (ULWQS) Science Panel
MEETING AGENDA**

March 23, 2023 - 9:00 AM to 12:00 PM

March 24, 2023 - 10:00 AM to 12:00 PM

Virtual Meeting via Zoom

Thursday March 23, 2023

Meeting ID: 880 2374 7399/Passcode: 546263

9:00 AM Welcome and Introductions

9:15 AM Overview of Available Studies to Inform Sediment Nutrient Recycling – Dr. Kateri Salk, Tetra Tech

- Science Panel discussion
- Public discussion (5 min)

9:45 AM The Role of Internal Nutrient Cycling in a Freshwater Shallow Alkaline Lake – Dr. Mitch Hogsett, Science Panel

- Science Panel discussion
- Public discussion (5 min)

10:20 AM Break

10:30 AM Stressor-Response Analysis Update and Next Steps – Dr. Kateri Salk, Tetra Tech

- Science Panel discussion
- Public discussion (5 min)

11:50 AM Public Involvement

Members of the public will have an opportunity to comment on the ULWQS efforts. The time given to individuals will depend on the number of people requesting to comment. Additional comments can be submitted in writing to the Division of Water Quality or the facilitation team.

11: 55 AM Wrap Up

12:00 PM ADJOURN

Friday March 24, 2023

Meeting ID: 848 1273 3446/Passcode: 475064

10:00 AM Welcome and Introductions

10:15 AM Utah Lake Water Quality Analysis Program (WASP) Model Development Update

- Overview of the WASP model sediment diagenesis routine – Tim Wool, Science Panel (20 min)
- Overview of Utah Lake WASP model enhancements and progress – Dr. Rene Camacho (30 min)
- Science Panel discussion
- Public discussion (5 min)

11:45 AM Public Involvement

Members of the public will have an opportunity to comment on the ULWQS efforts. The time given to individuals will depend on the number of people requesting to comment. Additional comments can be submitted in writing to the Division of Water Quality or the facilitation team.

11:55 AM Wrap Up and Next Steps

12:00 PM ADJOURN

PROCESS COMMITMENTS

- Seek to learn and understand each other's perspective.
- Encourage respectful, candid, and constructive discussions.
- Seek to resolve differences and reach consensus.
- As appropriate, discuss topics together rather than in isolation.
- Make every effort to avoid surprises.

GROUND RULES

- Focus on the task at hand
- Have one person speaking at a time
- Allow for a balance of speaking time by providing succinct statements and questions
- Listen with respect
- Be civil
- Keep side conversations to a minimum
- Turn off cell phones or put them in the non-ring mode during formal meeting sessions
