Instructions for Completing a Notice of Termination Form (NOT) for The Drinking Water Treatment Plant General Permit.

Who May File an NOT Form:

Permittees with an active coverage under the Utah Pollutant Discharge Elimination System (UPDES) General Permit for Drinking Water Treatment Plants may submit a NOT form when coverage is no longer needed. Only those permittees who submit an NOI to receive discharge authorization are required to submit an NOT.

Completing the Form

Type or print, in the appropriate areas only. "NA" can be entered in areas that are not applicable. If you have any questions about how or when to use this form, contact the Division of Water Quality.

Part I. Permit Number

Enter the existing UPDES General Permit Coverage Number for the Drinking Water Treatment Plant Facility assigned at the time the Notice of Intent (NOI) was submitted. If you do not know the coverage permit number, you can find contact the Division of Water Quality.

Part II. Facility Information

Provide the Facility Name described in the NOI and is covered by the permit coverage number identified in Part I. The entity responsible for the drinking water treatment facility operations is the legal entity that controls the site operation, rather than the facility manager.

Enter the Facility complete mailing address, telephone number and email address. Include the physical facility location if different from the mailing address.

Part III. Facility Contact/Operator

Enter the facility operator or main contact for the facility. If there are any other operators or site managers these maybe included here. A facility contact must be provided for termination of permit coverage to be valid.

Part IV. Certification Information

The NOTs, must be signed as follows:

- 1) For a corporation, a responsible corporate officer shall sign the NOT, a responsible corporate officer means:
 - a. A President, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar

- policy- or decision-making functions for the corporation; or
- b. The manager of one or more manufacturing, production, or operating facilities, if
 - i. The manager is authorized to make management decisions that govern the operation of the regulated facility, including having the explicit or implicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long term environmental compliance with environmental statutes and regulations;
 - ii. The manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and
 - iii. Authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.
- 2) For a partnership of sole proprietorship, the general partner or the proprietor, respectively; or
- 3) For a municipality, state or other public agency, either a principal executive officer or ranking elected official shall sign the application; in this subsection, a principal executive officer of any agency means:
 - a. The chief executive officer of the agency; or
 - b. A senior executive officer having responsibility for the overall operations of a principal geographic unit or division of the agency.

Include the name, title, and email address of the person signing the form and the date of signing. An unsigned or undated NOT will not be considered valid terminated of permit coverage.

You are required to comply with all conditions and reporting requirements until the NOT is submitted to DWQ, including submission of Discharge Monitoring Reports (DMR).

Where to File NOT form:
